

# Join a Performance Team

Tumbles has several performance teams that students can join. Each team is taught like a regular gymnastics class, but we will also spend time working on a performance routine. The cost for 1-hour team classes is \$40.00 per month. Girls will need to purchase a team leotard and boys purchase matching shirts & shorts. We would like to invite you to join. Here is a list to help you find the team that is right for you. If you would be interested in a performance cheer squad, please let us know also.
